## PUBLIC COMMENT PERIOD EXTENDED AGAIN

**TULSA** – The U.S. Army Corps of Engineers is again extending the public review and comment period for the Environmental Assessment -- Optima Lake Road Closure and Recreational Facility Demolition. The new closing date for public comment is **March 14, 2010**. The reference document is currently available on the Tulsa District's website at [www.swt.usace.army.mil](http://www.swt.usace.army.mil) as well as the libraries in Guymon and Hooker, Okla., and Liberal, Kan.

All written comments and questions will be addressed as appropriate in the Final Environmental Assessment. To be included in the final assessment, comments and questions must be postmarked by the end of the formal comment period, March 14, 2010. Comments and questions about the draft assessment or the public comment process can be directed to:
